Rissan® 430 grey

HEAVY-DUTY SILL PROTECTION

Primerless, vapor impermeable flashing solution for door and window sill applications

SIGA Rissan 430 grey is a robust, impermeable acrylic flashing tape. The dimensionally stable PE carrier is designed to withstand the rigorous demands of the commercial construction site while remaining formable and pliable, even in below freezing temperatures. Rissan 430 grey offers superior adhesion to cured concrete, metal, and wood.

CHARACTERISTICS	
Available width(s)	6" / 9" / 12"
Roll length	82'
Water vapor transmission	0.04 US perms
Minimum surface contact for masonry substrate	2"

- ✓ extremely high adhesive strength on every surface
- ✓ primerless on concrete and masonry
- ✓ high puncture and abrasion resistant
